

My life was saved by Warner's Safe Kidney and Liver Cure.—E. B. Lohely, Selma, Ala.

#### An Astonishing Fact.

A large proportion of the American people are to-day suffering from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of people is most alarming, making life actually a burden instead of a pleasant existence as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all Druggists on the Western Continent.

#### Get out Doors.

The close confinement of all factory work, gives the operatives pallid faces, poor appetite, languid, miserable feelings, poor blood, inactive liver, kidneys and urinary troubles, and all the physicians and medicine in the world cannot help them unless they get out of doors or use Hop Bitters, the purest and best remedy, especially for such cases, having abundance of health, sunshine and rosy cheeks in them. They cost but a trifle. See another column.—Chris-Christain Recorder.

#### Interesting to Cripples.

We called yesterday at Drs. Dickerson & Stark's Surgical Institute at Kansas City, and found their large hospital full of patients.

We observed one young lady named Miss Jennie Hansley of Meridan, Kan., whose limbs had been so drawn up and contracted that she had lost the use of them. Her limbs are now straight and she can walk around with the aid of crutches.

#### A Certain Cure.

The first thing to do in the spring is to clean house. For internal cleansing and renovating, no other medicine is equal to Kidney-Wort. In either dry or liquid form it cures headache, bilious attacks, constipation and deranged kidneys. See adv.

#### Don't Die on the Premises.

Ask your druggist for "Rough on Rats." It clears out rats, mice, bed-bugs, roaches. Only 15 cents per box.

Albert G. Mann, of Cottage Home, Ill., says: "I have been prostrated for three or more years with Kidney disease, at times I was not able to put on my boots, my wife has often pulled them on for me. I was not so bad as that all the time, but I never knew what it was to be without pain in my back until I commenced using HUNT'S REMEDY."

In bringing the PRICKLY ASH BITTERS before the public, we claim that it is one of the best remedies extant for the prevention and cure of all diseases arising from a disordered Liver. By using them according to directions, they will keep the system in a strong, healthy condition, and prevent any miasmatic influence. Ask your druggist for them. Price, \$1 per bottle.

## War Claims a Specialty!

# MILO B. STEVENS & CO.,

## Pensions, Increase Pensions, Bounty.

Arrangements of Pensions allowed in all claims that were pending July 1st, 1880. These claims can be pushed, ultimately, if the attorney only knows how to do it. We are possessed of the secret, and offer our services to those whose cases are in such a condition that we can take them up.

New Pension Claims will be received at the Department as heretofore, but when allowed will date only from the time the claim was filed, unless prior to the allowance of said claim the law granting arrears has been extended. Let no one who has a good claim hesitate to apply at once. Fifteen years' advance pension is as good as fifteen years' back pension.

If soldiers have died or hereafter die in consequence of wounds received or of disease contracted in the service, a pension can be procured for their widow and children.

It is a favorable time to apply for an increase of pension. It is due to all invalid pensioners who have been rated too low, and to those whose disability is of such a nature that they are continually becoming more and more disabled. No fee in these cases unless successful.

Write us stating what is thought to be due you, and we will send you the proper questioning blank.
